

5 ORGANIZE

Round-robin interviewing

COMMENTS TO THE FACILITATOR: Use this activity during a workshop to encourage teachers to share what they are learning during the session.

Directions

1. Divide a group into pairs. Each pair will have an interviewer and an interviewee.
2. The interviewer will question the other person and make notes from the responses. *Time: 5 minutes.*
3. Reverse the process, with the interviewee becoming the interviewer.
Time: 5 minutes.
4. *(Optional)* During a public presentation of what has been learned, the interviewers share with the group what his/her interviewee learned.
